

**Subject:** Help Us Celebrate 150 Years of Curling - Support Our Online Silent Auction! 🇨🇦🎉

This year marks a remarkable milestone of **150 years of curling tradition** in our community! As we celebrate this achievement, we're also focused on securing the future of the club for the next generation through our Truro Curling Club Revitalization Project, and particularly, for the replacement of our ice plant - a crucial part of keeping our beloved game alive.

To help make this possible, we're hosting an **Online Silent Auction** running from **December 1st to December 15th, 2025**. Funds raised will directly support this portion of the project.

We're reaching out to ask if you would consider **donating an item, service, or gift certificate** to be featured in the auction. Your contribution will not only help ensure the continued success of our club but will also provide your business with valuable community exposure during a highly visible online event.

#### **Auction Highlights:**

- Runs online from **December 1-15, 2025**
- Open to the public - reaching supporters near and far
- Items make perfect **Christmas gifts**, just in time for the holidays
- All donors will receive recognition through our website, social media, and during post-auction promotions

Your generosity will help keep our ice, and our community spirit, strong for the next 150 years.

If you're able to contribute, please contact us by **November 25, 2025**, so we can include your donation in the online catalog.

Thank you for considering this opportunity to support a cornerstone of our community. Together, we can keep the tradition of curling thriving for generations to come!

Warm regards,

Fran Grant, Fundraising Chair
